

## 19 Air, Air Everywhere

Competencies  
C-2.6

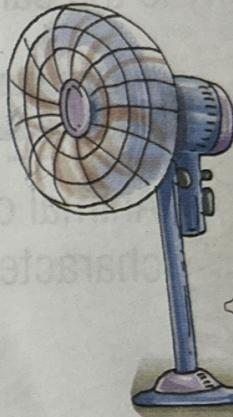

- Critical thinking
- Environmental awareness
- Creativity

### GEAR UP

Sia has returned from school. It is too hot outside. What does she need?  
Tick (✓) the correct pictures.

Air is all around us. We cannot live without air. Animals and plants too cannot live without air.

All living things need air to live.

We cannot see air. But we can feel it when it moves. The moving air is called **wind**. Wind makes things move from one place to another.
