Use Money Wisely

Whenever we want to have a product or service, we use money. As much as spending money is important to buy necessary items, saving money is also very important. Our parents work hard to earn money. So, we must use money wisely and save a portion of it too.

Read the short story given below. Then write the things mentioned in the story, taking help from the Clues Box.

1.

Rohit and Dipti's parents give them money on some occasions.

2.

Rohit spends all his money buying chocolates, toffees and chips.

3.

But Dipti spends some money and saves the rest in her money bank.

4.

When Dipti collects enough money, she asks her father to buy her books, toys or dress.

1.

Fifty rupees

2.

Chips

3.

Ten rupees

4.

Money bank

5.

Shop

5.

Dipti's parents feel so happy to see her learning how to save.

Let's Reduce Pollution

10
Mother Earth

Pollution happens when air, water and land get dirty by human activities. It creates a big mess on Earth. It also makes plants, humans and other living beings sick. To save Earth, let us all join hands and be superheroes by helping reduce pollution.

Look at the pictures and see various kinds of pollution. Colour **red** for air pollution, **blue** for water pollution, and **brown** for land pollution in the given boxes.

1.  

2.  

3.  

4.  

5.  

6.  

7.  

8.  

Knowledge Pill

To reduce pollution, we can take some simple steps like reusing things wherever possible, using public transport, buying eco-friendly items, using cloth or jute bags, etc.
