Terrapin's Flying Adventure

A. 1. Hawk said this to King Eagle.

2. The speaker said this because hawks cannot fly as high as eagles.

3. 'You' refers to King Eagle. King Eagle took Terrapin on his back and flew high.

C. 1. Terrapin was nicknamed 'Grumbler' because he grumbled about everything to everyone.

2. The birds were fed up with Terrapin's constant grumbling. They decided to try to teach him how to fly.

3 Crow refused to take Terrapin higher.

4 Vulture noticed that his brothers were having a feast in the valley down below. He wanted to go down to join them. He whistled and called Hawk and told him to give Terrapin a ride in the clouds.

5 When King Eagle took Terrapin very high up, he began to feel scared. He remembered that he had a kite winder with strong thread in his pocket. He quickly tied some thread to King Eagle's legs. Then he held onto the winder and leaped off King Eagle's back. He let himself down on the thread till he reached the ground.
