C. 1. Ankita's cell phone did not have any signal in the village, so she couldn't contact her friends. There was no television or the internet either. Hence she thought that she would get bored there.

2. Roli, the dog, brought her a stick to play fetch and Gogi, the goat, gently butted its head against her knee. It was their way of showing that they were happy with her.

3. Grandpa suggested that Ankita could help him with gardening. She could also read books and run errands on the cycle that he had got for her.

4. It was a surprise for Ankita because she was not allowed to ride a bicycle in the city.

5. Ankita, Vani, and Varun rode on their bicycles, racing through the fields till they came to a huge banyan tree. There they spent their time swinging on the long aerial roots of the tree. They even had fun picking sweet mangoes from the mango tree nearby.
