

# St. Andrews Scots Sr. Sec. School

9th Avenue, I.P. Extension, Patparganj, Delhi – 110092

Session: 2024 – 2025

(Worksheet-2)

Class-VII

Subject - Science

Chapter: Nutrition In Animals

## Q.1. State True (T) or False (F) for the following statements:

- Digestion of starch starts in the stomach.
- The tongue helps in mixing food with saliva.
- The gall bladder temporarily stores bile.
- The ruminants bring back swallowed grass into their mouth and chew it for some time.

## Q.2. Fill in the blanks:

- The largest gland in the human body is \_\_\_\_\_
- The stomach releases hydrochloric acid and \_\_\_\_\_ juices which act on food.
- The Alimentary canal stretches from \_\_\_\_\_ to \_\_\_\_\_
- Amoeba digests its food in the \_\_\_\_\_
- We get hiccups when food particles enter the \_\_\_\_\_

## Q.3. Multiple Choice Questions:

- Fat is completely digested in the \_\_\_\_\_  
(i) Stomach            (ii) mouth            (iii) small intestine
- Water from the undigested food is absorbed mainly in the \_\_\_\_\_  
(i) Stomach            (ii) small intestine    (iii) large intestine
- Oesophagus is another name of \_\_\_\_\_  
(i) Large Intestine            (ii) Food Pipe            (iii) Small Intestine
- Teeth that grow at the infancy and falls at the age between six to eight years are termed as \_\_\_\_\_  
(i) Milk Teeth            (ii) Incisor            (iii) Molar
- The intestinal juices digest fats into \_\_\_\_\_  
(i) Fatty acids            (ii) Glycerol            (iii) both of them

## Q.4. Answer in one word:

- Which part of the digestive canal is involved in killing bacteria?
- Where is the water from undigested food absorbed in the body?
- What is the finger like projections present in the inner wall of the small intestine?
- Where are faeces formed in the human body?
- What are the end products of carbohydrate?

## Q.5. Answer the following questions:

- a) Small intestine in herbivores is longer than in carnivores. Do you agree? Support your Answer.
- b) Describe the location and function of the Salivary gland?
- c) What are the functions of the tongue in human body?
- d) Can we survive only on raw, leafy vegetables/grass? Discuss.
